

Become a distributor

BECOME A CK'ONE DISTRIBUTION DISTRIBUTOR

THE BACKUP OF A NETWORK, THE FLEXIBILITY OF INDEPENDENCE

Becoming a CK'ONE Distribution distributor is your guarantee of selling JK structure technology while keeping your independence. Being an official dealer gives you total exclusivity in your sector, setting you apart from the competition by virtue of the reliability and advantages of the products you offer products, which need no proof.

Alone, you can go faster.

Together, we can go further.

YOUR DISTRIBUTOR GUARANTEES

BY BECOMING AN OFFICIAL DEALER YOU BENEFIT FROM

PRODUCT TRAINING

We offer technical and theoretical training in JK Structure technology. Our mobile training teams visit your construction sites in order to provide appropriate training whatever the type of project. Our technical department will provide any

information you need.

COMMERCIAL

SUPPORT

Your contact person will give you continuous support, answer your questions, offer advice and regularly help you take stock of your progress via weekly reporting sessions in the form of web conferences held each week so you can further enhance your sales power.

COMMUNICATION

MEDIA

Our team ensures you have the full benefit of its experience and expertise from the moment you set up your franchise. All our support material is provided to allow you to manage your own publicity according to your needs: flyers, posters, etc.
